 - Email will continue to flow via your current address until approximately end of CY 2017
 - Calendar
 - Contacts
 - To-do's migrated

Emails and Network Login

O365 is Coming

https://oits.ks.gov/email-consolidation

Passwords

Your Password will remain the same.

Email Address

All Email Addresses will be:

- Firstname.Lastname@ks.gov
- ONLY Exception for those few employees that share a first & last name
 - Those address will include an initial or number to distinguish

Network Login

Your Network Login that you use to log into your computer will change

Firstname.Lastname@<domain>.ks.gov

Your domain will reflect your agency:

doa = Department of Administration go = Office of the Governor

Known Migration Hurdles

- Some autocomplete entries corrupted
- Global Distribution Lists
- Deleted folder having subfolders

Preparations

- Data cleanup soonest; still time to clean up unnecessary folders
 - Empty your deleted folder*
 - Sent folder clean
- Note any email and/or calendars you may be sharing
- Note any personal contact lists

Known Coexistence

Waiting for others...

- Utilize old network login when trying to connect to something that hasn't moved:
 - Shared Resources that don't move with you
- Calendar Free/Busy
- Presence information in both Outlook

First Things First

- Connecting to Outlook
 - Use New Network Login
 - Multiple prompts may need old login
 - See the Post-Migration Users Guide
- Connecting to Portal
 - Authentication on the network
 - Set the Time Zone
- Configuring mobile devices in accordance with your agency processes
- Re-share calendars and folders once everyone is in the cloud
- Let us know if there are issues
